While public institutions have a tendency to tailor curriculum in a way that will enhance MME scores, Zion elects not to do so to this extent. In order for a student to receive the Michigan Merit Award, he or she must achieve a Level 1 or 2 in Math, Science, Reading, and Writing. Please note that Social Studies is not a factor in determining Merit Award evaluation, therefore students tend not to perform to their potential in this discipline. <p>ACT Notes</p> <ol style="list-style-type: none"> ACT's were generally taken only by those considering college enrollment prior to 2007. Today, all student take the ACT. National Percentile Rank is a factor of how students perform in relation to the average of all ACT participants, with a rank of 100% given to the highest score.
