

# 2nd Grade Weekly Reader

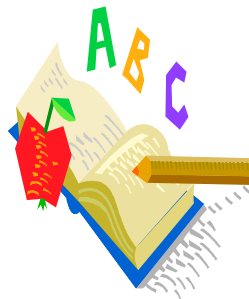

## A Note from Mrs. Russcher

Dear Parents,

I can't believe this week is our very last week of the school year. It has been such a blessing to be your child's teacher this past year. God has certainly done wonderful things in the students' live and my own life this past school year. I also appreciate how supportive you have all been. God has blessed me and each of the students through your prayers and words of encouragement.

This coming week I will be giving your students ideas of things to do this summer to stay sharp and ready for third grade. It is very important that they continue to read, write, and think critically throughout the summer or they will lose much of what they have learned.

Mrs. Russcher

Have a blessed week.

**Philippians 2:13-15**  
<sup>13</sup> for it is God who works in you both to will and to do for *His* good pleasure.  
<sup>14</sup> Do all things without complaining and disputing, <sup>15</sup> that you may become blameless and harmless, children of God without fault in the midst of a crooked and perverse generation, among whom you shine as lights in the world.
